PROFESSIONAL EXPERIENCE

AI Engineer I | MENAdevs - Amman, Jordan

Oct 2024 - Present

- Developed internal AI solutions, including a RAG-based organizational knowledge system and an LLM-based CV summarization and filtering tool supporting HR candidate review.
- Contribute to AI training and evaluation workflows through prompt design, evaluation of model-generated outputs, identification of quality and accuracy issues, and structured feedback to improve response quality and consistency.

Back-End Development Intern | Digitinary - Amman, Jordan

Sep 2023 - Nov 2023

- Completed a Java back-end development internship focused on server-side development, APIs, and software engineering practices.

SELECTED PROJECTS

Chess Vision Tutor | Python, PyTorch, OpenCV, Stockfish, LLMs

Built an end-to-end computer vision pipeline that reconstructs chess positions from board images, analyzes positions with Stockfish, and generates educational explanations through an LLM. Full pipeline succeeded on 9 of 11 stress-test images.

Face Recognition V2 | Python, InsightFace/ArcFace, OpenCV

Developed and stress-tested a face-recognition pipeline for detecting and identifying known faces, achieving 93.1% known-face accuracy with no false-positive unknown identities in a 24-image stress test.

Ask My Portfolio | Python, Streamlit, RAG, LLMs

Built and deployed an interactive AI portfolio featuring project showcases and a RAG-based assistant grounded in project and professional information.

EDUCATION

B.Sc. Artificial Intelligence and Data Science | AI-Ahliyya Amman University

2024

Amman, Jordan

TECHNICAL SKILLS

Programming: Python, Java, SQL

AI / ML: Machine Learning, Deep Learning, Computer Vision, NLP, LLMs, RAG, Prompt Engineering, Model Evaluation

Frameworks & Tools: PyTorch, OpenCV, Ultralytics YOLO, InsightFace/ArcFace, FastAPI, Streamlit, Git, GitHub

TRAINING & LANGUAGES

Tech for Jobs - Advanced Data Analytics Program | Correlation One / USAID | Mar 2025

Arabic: Native | **English:** Professional proficiency - IELTS Academic 7.0
